Why

Perisher?

Quite simply, Perisher is Australia's favourite snow holiday destination

Consisting of four distinct resort areas and covering a massive **1,245 hectares of diverse terrain**, Perisher is the biggest alpine resort in the Southern Hemisphere, accessed by an incredible **47 lifts**.

The village in Perisher Valley sits at **1,720m**, well above the recognised snow-line, making Perisher renowned for its snow reliability and consistency; ideal for first timers of all ages learning to ride, right up to advanced skiers and snowboarders.

Why bring a group to Perisher?

Being the biggest resort in Australia, Perisher has a large variety of winter options available for your group including non-skiing/boarding activities.

Perisher are experts in catering to the needs of school groups. Packages are available to suit all needs and budgets, with the option to book everything in one place.

A dedicated Groups Co-ordinator will assist in the booking of your trip and one teacher is provided with a Free of Charge package for every 10 booked students.

New for 2014, is the \$4m Freedom Quad Chairlift in Guthega. This will greatly improve the lifting capacity for the picturesque Guthega resort area, allowing groups better access to some of Perisher's iconic terrain.

Snow Experience

If the idea is simply to give students a taste of the unique alpine environment, choose from a combination of Snow Experiences from the following activities.

Chairlift Rides

Take in the panoramic views of Perisher taking the Quad Express to over 2000m above sea level.

Once at the top you can unload and enjoy some snow play and perhaps capture the moment with a photo.

Ride the chair to 2000m above sea level for great views

Skitube Alpine Railway

Skitube is a convenient and innovative train ride from Bullocks Flat through the Ramshead Range to Perisher Valley in 10 minutes. It's then another 7 minute trip up to the Blue Cow terminal that has spectacular views. The total distance is 8.5km; 6.3km is underground making it one of the longest underground train tunnels in Australia, travelling as deep as 550m below the surface so it's a great experience in itself.

Tube Town

Tube Town has specially groomed lanes allowing fun lovers and thrill-seekers of all ages to enjoy a high-speed tube ride down the slopes and a lift back to the top, on a purpose built lift. No skill is required, just the desire to have fun.

Snowsports

Lessons

For a full on-snow experience, Perisher has dedicated groups base locations at Smiggin Holes and Blue Cow that are ideal for school groups. Both have ample lifts and modern facilities with a huge amount of terrain for beginners and intermediates.

Snowsports School staff who have verified competency from the independent **Nationally Recognised Training** – SIS10 Sport, Fitness and Recreation program are on hand to provide quality tuition.

Groups packages include free Night Skiing two nights a week. On 5 day programs, free afternoon lift access and lesson (for first timers) will kick start their snow experience. You also have the great option of having four hours of lessons each day to enhance your students' experience.

Groups looking for an all-inclusive package will find the Lift, Lesson and Hire Bundles the perfect product combination. Our Smiggins and Blue Cow Bundles provide access to four resort areas and a massive 47 lifts!

Lift Ticket and Lesson Packages*	Student	Student + Skitube*

Note: Only two options per day for group lunches are available. Sitting times for Blue Cow Bistro Lunch available between 11:30am and 1:30pm daily.

Dashboard Pics

Students can have their photographs taken for FREE on-snow by Perisher's Dashboard Pics photographers to share their experience with family and friends.

Each student receives a FREE high resolution image to download from the pictures they have had taken.

Perisher

Hire

At Perisher we only hire the very best ski and snowboard equipment, clothing and snow boots to suit everyone's needs.

The great advantage of hiring your gear from Perisher Snowsports Hire is that you can exchange any item at any one of our on-snow Hire locations if something's not quite right.

As a group, you also have the ability to conveniently store your equipment at Bullocks Flat Skitube terminal.

Flat**

Group Accommodation

The Station is the perfect base for your group or school's next winter adventure. With versatile accommodation options and three great eateries on-site, we offer an affordable hub to access skiing, snowboarding and snow play.

Complete with an on-site ski and snowboard hire outlet and being part of Perisher Resort allows us to take the stress out of organising your next group snow trip. Our friendly staff and dedicated Groups Co-ordinator will assist in making the experience effortless and memorable.

Summer sees the Snowy Mountains region bursting with a multitude of activities surrounded by unique landscapes which make it a perfect choice for groups of any kind to visit and explore.

Please contact us for information about great range of educational programs available.
