Dear SLOPES Members and Associates

A reminder that Back to Perisher Weekend - jointly sponsored by SLOPES and NPWS - will take place from 20 to 22 April.

Our previous email dated 4 March with key information is set out below.

Attached are copies of:

1. the flyer with Back to Perisher events information.
2. an updated plan of the fun run route - please note the change of route this year and the explanation below
3. the form of waiver which each participant needs to sign to go in the fun run.

Fun run waiver

The fun run this year is over internal National Park and Perisher Blue ski resort roads - not along the Kosciuszcko Road as in past years.

For that reason each fun run participant must sign a copy of the waiver provided by Perisher- this is similar to the form used by Perisher for snow sports events over many years.

If you plan to participate, please print, sign and bring with you a copy of the waiver.

For those who forget copies of the waiver will be available at the start of the fun run.

Fun run registration

Fun run registration is from 9am with the Run starting at 9.30am.

Participants are asked to try and arrive early given the extra paperwork this year and to minimise any teething problems with our new start point and route.

KNP entrance fees

SLOPES has received confirmation from NPWS that they are happy to provide 'pay 2 get 3' or 'pay 3 and get 4' days entrance fees at the toll point at Sawpit Creek.

To access this offer you must:

- 1) Email djread@bigpond.com
- 2) Provide name of lodge.
- 3) Dates in and out.
- 4) Advise number of registered vehicle and name of driver.

Dave will then consolidate and forward the details to NPWS well before Easter.

Please circulate this email to your members and encourage participation in Back to Perisher.

Thanks.

Regards

Subject: SLOPES: Back to Perisher fun run and events 2019 - Flyer
To:

Dear SLOPES Members and Associates

The attached flyer has information on the events at Back to Perisher Weekend to take place from 20 to 22 April.

This year Back to Perisher Weekend is over the Easter Weekend and also coincides with the Term 1 NSW school holidays.

Back to Perisher Weekend continues to grow in popularity.

SLOPES is a co-sponsor of Back to Perisher Weekend with NPWS.

Fun Run Change of Route and Time

Please note the change this year to the route of the Fun Run (Walk) - '*The highest (altitude) fun run in Australia*'.

Since it's inception the Fun Run route has been from Perisher to Charlotte Pass along the Kosciuszko Road.

This has required police and RTA approvals to partially close the road during the run - approvals which have required, over time, an increasingly early start due to the popularity of KNP over the Easter weekend.

The new route goes from the Perisher car park to the Blue Cow summit chair base via the lower Perisher road (past the North Perisher lodges) and returns via the upper Perisher road (past the Sundeck).

It traverses a mix of sealed and unsealed roads and is approximately 7km from start to finish.

The new route will avoid the traffic on the increasingly busy Kosciuszko Road and will make the Fun Run more interesting and challenging.

Along the way there are some great alpine views and the route through the Perisher Village past commercial and club lodges and spectators will add colour and variety to the experience.

Not being on the Kosciuszko Road, we can also start the run a bit later - please note the new start time of 9.30am.

For general information on autumn activities in Kosciuszko National Park, see this link to the SLOPES website: https://slopes.org.au/handy-links/?wpv-handy-link-category%5B%5D=activities&wpv_aux_current_post_id=46&wpv_view_count=1906-TCPID46

Please distribute these details to all your members and friends encourage their participation.
