

ROAD CLOSURE NOTIFICATION

2 DECEMBER 2017

L'Étape Australia by Le Tour de France is coming to the Snowy Mountains

L'Étape Australia by le Tour de France is back for its second edition, taking place on 2 December 2017 in the NSW Snowy Mountains.

L'Étape Australia by Le Tour de France is the only cycling event run under professional conditions for amateurs, with closed roads, a challenging route and with a Sprint and two King of the Mountain sections. This world class event will provide a platform to showcase the spectacular Snowy Mountains region during the summer months, generating a real boost to the local economy.

In the week leading up to the event day, crews will be busy setting up event areas around the course route. During these activities, all roads will remain open with local traffic control installed to safely guide pedestrians and vehicles around the work areas as required.

The table below lists all road closure times across the course on 2 December 2017.
