### **RESTAURANT MANAGER**

Lake Crackenback Resort & Spa consists of 4 ½ star Chalets, Studios and Novotel Lakeside Apartments. This award winning resort is set on 150 acres and is positioned in the heart of the NSW Snowy Mountains next to Perisher Skitube and half way between Thredbo and Jindabyne.

A full time, year round opportunity now exists for an experienced individual to take on the role of Restaurant Manager - Cuisine (Mountain Dining) which also plays host to Weddings, Special Events and Conference groups, whilst working closely with renowned Food and Beverage Director Jean-Michel Gerst.

The successful applicant must have experience in a similar role in quality establishments and be able to demonstrate skills in the following core elements of the role:

- Extensive knowledge of food and wine
- Exemplary customer service
- Ability to lead and direct service team
- Proficiency with staff supervision, training and mentoring programs
- Experience in facilitating events, weddings and conferences
- Effective roster writing to budget

This is a career opportunity for an ambitious individual not afraid of hard work to achieve goals, while working in an idyllic mountain environment. Our resort is growing rapidly and we will be looking for someone who has the talent, loyalty and drive to keep up with our need to move forward and develop. Due to the nature of the position, working hours outside of normal office hours, including weekends, will be required.

There are many benefits for the successful candidate to access; onsite accommodation could be an option, exposure to celebrities, and working day to day with a very dynamic team of passionate people. If you would like to explore the opportunity of working with a local employer of choice, please email your resume to our HR Manager, Karen Hogan [karenh@lakecrackenback.com.au](mailto:karenh@lakecrackenback.com.au).
