A large group of approximately 50 people, mostly young adults, are posing for a group photo on a snowy mountain slope. They are arranged in several rows, with some kneeling in the front and others standing behind. Many of the individuals are wearing matching blue jackets with white reflective stripes on the sleeves. Some are making peace signs or other celebratory gestures. In the background, ski lift infrastructure is visible, including a chairlift tower and cables. Two snowmobiles are parked on either side of the group. One snowmobile on the left has the number '110' on its side. On the right, there is a blue sign that says 'do the parks' and 'NICE'. The overall scene is bright and snowy, suggesting a winter sports event or a team gathering.
